

Blue Room News
May 2010
Morning class

It is hard to believe the school year is almost over. I am amazed that we only have 8 days left. The last day of school is Thursday May 19.

Field Trip

Wednesday May 5

We will be traveling to Dodge Farm. At the farm, a naturalist will give us a tour while discussing some farm animals as well as types of food grown on the farm. The children will have a chance to see and touch various farm animals and jump in a huge hayloft. We go on the field trip rain or shine; please dress your child appropriately.

Eliana – Mark, Xander – Sara, & Azaya – Tish

Classroom Visit Day May 13

The children will have the opportunity to work in the blue, green or yellow rooms. All classes will be able to visit the other rooms. This will be for about 45 minutes of the morning. In past years the children have always enjoyed this day.

Spring Picnic May 13

Last day of school

Parents will be invited for a celebration/ice cream social in the fellowship hall. Information about the time will come out from Kristie.

This year has been a fun filled year. We are so proud of all the children. They have learned and grown so much, and they have taught us a lot too. Thank you parents, for all the cooperation and support this year. You and your children have made this a great year!
