

# **Yellow Room News**

## **April 2010**

### **Highlights from March**

Our construction theme was a big success! The kids enjoyed using real tools in our Woodshop area. We also made box sculptures, wood sculptures and clay tiles. Audrey's dad came in to make homemade pasta for us. Yummy! The last day of school before Spring Break was Beach Day and the kids enjoyed showing each other their summer gear and eating popsicles for snack.

### **Coming up in April**

#### **Focus**

Our focus in March will be Spring and Farm Animals. In large group, we will talk about feelings. In small group, we will be getting ready for conference time. We'll do games that focus on skills like counting, rhyming and cutting and gross motor skills like kicking, catching a ball and hopping on one foot.

#### **Important dates**

April 15, 21 and 27th - Parent conferences. No school on these days.

April 22<sup>nd</sup> - Discovery Night, 6:00-7:30pm. Each room will have a different project for kids and parents to enjoy! Space limits us to one child and one parent only, please.

#### **Other reminders**

Please sign up for a conference if you haven't already. The sign up sheet is on the wall outside of the Yellow Room.

If you have any questions, concerns or comments about what is going on in the Yellow Room, please don't hesitate to contact me. Thanks!

Julie
