

January 31 February 1 - 2

Science lab (Last week)

1. sink the boat
2. test the ramps
3. wind machine
4. sound shaker match
5. sifters separate the beans and sand

The overhead machine stopped working so we changed to the sifters.

If you have an old overhead projector at your work place Judson preschool would be a good home for it. Let me know if you can help us out.

Pajama day Thursday February 2

Your children may wear pajamas to school. You may bring a blanket, pillow and stuffed animal friend. It will be a fun day in the classroom. We will be in the monkey room for large motor play.

This week we are making pillows to use on pajama day.

Tuesday - we will use fabric paint and decorate the material

Wednesday - we will stuff the pillow and a teacher will sew the pillow

Thursday - we will use the pillow on pajama day

Cooking project on pajama day - colored toast

1. the child paint the toast with colored milk
2. toast the bread
3. butter the bread and eat for snack

Also on pajama we will make cereal necklaces and paint on Mylar with glitter paints.

Large group

Bedtime books all week

Where are you Blue Kangaroo, Sleepy bears, The Napping House, What, Cried Granny (an almost bedtime story), Grandfather Twilight Songs/movement - Apple are red color song, Tip toe song, Pajama dance,

Small group - act out the mitten story and a science experiment dancing raisins
