

January 24 -26

The science lab has been a busy spot in the classroom.

Tuesday experiments

magnet painting

shadows and light - flash light and colored paddles

pendulum ball

magnet sort

touch and feel box

Wednesday we will have new experiments

overhead - light and shadows

ramps and cars - which one is the fastest

boat and marbles - how many marbles can go in the boat until it sinks

sound shaker match

wind machine - blow air in a straw - what can you make move a

feather, paper, paperclip etc.

Tuesday and Wednesday

Corn starch water - a fun mixture to play with

The children will mix and play.

Thursday

Lacing a paper mitten to go with the story The Mitten

Great fine motor practice

Small groups - Journals

Large group

We will read three versions of the story The Mitten (Jan Brett, Alvin Tresselt, and Jim Aylesworth

Songs/movement - snowman song, shovel the snow song, The Freeze and a snowball fight with cotton balls

February 2 - Pajama Day

I am looking for 1 volunteer for the classroom on pajama day. The sign up sheet is in the classroom on the big bulletin board by the classroom door or just let me know.

Also I would like a volunteer for valentine's day.

The raptor center show is cancelled. Price and scheduling did not work for the program.

Please return the Chicka Chicka Boom Boom book if you have it at your house. (morning class)
