

Tomorrow the children will be bringing home a countdown calendar (it will count the days until we come back to school)

Each day your child can cut off a number until they reach 0 days.

Also each child will bring home a small gift from the preschool (blue snowflake bag)

The bag that came home today is a gift that your child made for the family.

January snack calendar is in your mail boxes. We are done with the ABC snacks. Thanks for all the great snacks.

We have started second turns with the mystery box. The voted to do an ABC mystery again. When your child brings home the box there will be a note inside telling you what letter they have.
