

Blue Room News
February 2010

Welcome Xander to the blue room. His first day is Tuesday February 2. We said good-bye to Stella last Wednesday.

Musical Petting Zoo (from Twin Town Guitars)

Thursday Feb. 4

The children will get to learn about different instruments and play some instruments. (Bass guitar, electric guitar, keyboard and drums/cymbals, kick drum, and snare)

Valentine Exchange Thursday February 11

Your child may bring valentines to share with their friends. Your child may sign his/her name. To make this an easier process, encourage your child to write out 2 or 3 valentines a day until they are all done. Great fine motor practice! Please do not put names on the outside of the envelopes. We have 20 children in the classroom.

This month the woodworking bench is in the blue room. The children will be pounding nails and sanding wood. We also will do some wood projects; wood sculptures and folding rulers (made with craft sticks and brass fasteners).

Valentine Poem

Snip, snip, snip the paper
Paste, paste, paste the paper
Press, press, press the paper
Here's a valentine for you.
