

Yellow Room News

March 2010

Highlights from February

The kids loved having fun with our Dinosaur theme. We ended our Dinosaur focus by making mini "Volcanoes" in small group. We also did a lot of fun activities with the first letter of our names. In large group, we practiced (and are still working on) raising our hands when we have something important to say.

Coming up in March

Focus

Our focus in March will be Construction. We will have our woodworking bench (with real hammers, nails, screwdrivers and sandpaper!) in our Dramatic Play area.

In large and small group we will work on shapes and cutting with scissors. We'll also make our self-portraits and compare them to the ones we made at the beginning of the school year.

Important dates

March 17th - Yoga class with Summer

March 25th - Beach Day! Kids can wear summer gear (swimsuits welcome) and bring their beach towels!

March 29th-April 5th - Spring Break! No school.

Other reminders

We are creating 3-D art this month. If you have small boxes you could donate (cracker boxes, toothpaste, condiments, etc.) please bring them in!

Volunteers

Volunteers would be much appreciated in our woodworking area any time this month!

If you have any questions, concerns or comments about what is going on in the Yellow Room, please don't hesitate to contact me. Thanks!
